OSRAM

NIGHT BREAKER LED SMART H10

Street-Legal1)

The NIGHT BREAKER LED family - OSRAM's first street-legal1) LED retrofit lamps.

Up to 6 times longer lifetime2)

See and be seen with OSRAM. Cool white color temperature similar to daylight. For more safety on the road, especially when driving at night and in adverse weather conditions.

Wider Fog Beam3) & 6000K

Vibration resistant, environmentally friendly, cost-efficient and validated according to the ingress protection class IP54.

5 Year OSRAM Guarantee4)

Systematic quality assurance measures underpin the premium workmanship and functionality of our products. Innovative technology and excellent quality really pay dividends for our customers.

Exceptionally bright, innovatively compact, particularly durable and, of course, street-legal1). That's the new NIGHT BREAKER LED SMART fog lamps from OSRAM.

With the street-legal1) NIGHT BREAKER LED SMART fog lamps, it is possible to switch from traditional halogen lamps to advanced OSRAM LED technology for fog light applications. They can serve as the perfect complement to your already installed OSRAM street legal1) LED or HID lamps. For an ideal combination or as a perfect addition to OSRAM NIGHT BREAKER LED lamps and, of course, as a comprehensive LED light upgrade. OSRAM's street-legal1) LED lamps set new standards in terms of innovation, precision, versatility and functionality. They lead the way in terms of brightness, lifetime, vehicle compatibility, design and much more. With the street-legal1) NIGHT BREAKER LED SMART fog lamps you can now upgrade the function of your fog lights of your vehicle to state-of-the-art LED technology. These LED replacement lamps are suitable as a replacement for conventional lamps and bases. They offer a modern and bright white light with a color temperature of up to 6000 Kelvin and impress with a wider fog beam in comparison to traditional halogen fog lamps. For cool white light wherever and whenever it might be needed.In comparison to standard lamps, such as halogen lamps, these LED retrofit lamps consume up to 80% less energy and convince thanks to the LED technology and the specially developed vibration-resistant design, with up to 6 times longer life time2). They have been tested in our DINcertified environmental simulation laboratory for extreme external influences in terms of the ingress of water and dust and validated with IP protection class IP54. You can now replace your conventional vehicle lamps with OSRAM's revolutionary NIGHT BREAKER LED retrofit lamps and experience trend-setting brightness with road approval1)Additionally, OSRAM offers a dedicated guarantee on all NIGHT BREAKER LED retrofit lamps3).
